The property boundaries and associated information depicted on this graphic are derived from the Crawford County, Arkansas Digital Cadastre. Digital cadastre as defined in Arkansas Code 15-21-502(6) means the storage and manipulation of computerized representations of parcel maps and linked parcel databases. As stated in Arkansas Code 15-21-504(3)(2)(B) Digital cadastre does not represent legal property boundary descriptions, nor is it suitable for boundary determination of the individual parcels included in the cadastre.
